Blending historic charm with modern decor and convenience, this full city block landmark Property will provide a purchaser with the opportunity to carry-on a tradition of pride of ownership by continuing to support local and national office and retail tenancies. The Vendor, whom has held this asset since 1998 found success in tenant longevity by being flexible with tenant requirements as the demand and use of commercial space continuously evolves.

While this Property has always been tenanted with commercial uses, multi-entry points, large floor plates including a full basement, oversized foundation and glazing on four (4) sides, this Property may be well suited for a multi-family reposition as this strategic location is located just steps from the underground concourse system in the heart of Downtown, providing tenants with a profuse variety of retail and professional services with the luxury of a multitude of transit and parking options at its doorstep.

Offered well below replacement cost, this opportunity to stay the course with commercial use or reposition and introduce a multi-family mix will serve a purchaser for many more decades to come.
