Gateway to the South

Wetaskiwin Mall is a major regional shopping centre with exceptional exposure to Highway 2A and convenient access from the surrounding townships. The primary trade area extends north and south along Highway 2A to capture a population base just over 93,000 people. Currently undergoing numerous significant mechanical and design renovations, Wetaskiwin Mall is being repositioned as a retail, service and medical destination for the trade area.

Location Overview

Wetaskiwin Mall, Wetaskiwin, AB

Optimal Location

Economic success and prosperity, especially for Wetaskiwin's local businesses - is a top priority. As such, they have moved away from the traditional Economic Development approach and are prioritizing grassroots development to revitalize the community. The city of Wetaskiwin is focused on small businesses, entrepreneurs, local events, and fostering a sense of civic pride and belonging.

If you're looking to invest in Wetaskiwin, you're not alone! Over 700 businesses are proud to call Wetaskiwin home, and the proximity to road, rail, and air transportation routes are very advantageous.

**\$90,000**
