All common area concerns can be directed to your Condominium Manager, Amanda Hrycun at 780-448-4984 Ext. 352 or Amanda@ayreoxford.com.

1. Move in's / outs etiquette:

- a. Elevator bookings must be made **48 HOURS IN ADVANCE** by contacting Ayre & Oxford Inc. A key and elevator pads will be supplied to protect the elevator.
- b. A **deposit in the amount of \$100.00** is required for the elevator key, which will be refunded immediately if there are no reported damages. Please note this must be in the form of a cheque, as on site staff will not accept cash.
- c. Elevators held open without a key cause major repair issues; therefore if you are found holding open the door, you will be charged for the elevator company inspection and any resulting repairs required. These repairs have been known to be in excess of \$500.00.
- d. Do not leave any doors propped open and unattended. Open doors must be attended at all times.
- e. No driving on the grass or moving through patios.
- f. Moving household goods in / out should be done with safety and courtesy. Any damages incurred will be the responsibility of the unit owner.

2. Access & keys

Unit and mailbox locks/ keys are the owner's responsibility to replace and maintain.

Note: Proof of Ownership or owner approval required for the following services
Fob programming changes:

To change the name of a fob user in the system, please advise Ayre & Oxford. Additional remotes and fobs can be purchased from the Ayre & Oxford Office for a fee;

- Purchase an additional front door key (\$50)
- Purchase an additional four button remote fob (garage access) (\$100)

3. Security:

The security of the neighborhood is relevant to everyone. If you see unsafe conduct or activities in your area, please report suspicious activity to the police.

- a. If there is a police / fire or medical emergency, call **911**.
- b. If it is not an emergency, call the police non-emergency line at **(780.449.0170)**.
- c. After providing the details, request the event number for this incident.
- d. Kindly report the event and incident number to Ayre & Oxford the next business day, including the date / time and nature of the complaint, with as much detail as possible so that we may keep record and follow up accordingly.

4. Property Assistance Personnel

If you have a flood or a similarly urgent issue (during regular business hours) which requires immediate assistance, please contact the maintenance personnel or Property Manager immediately. If it is an after-hours emergency, please contact the **Ayre & Oxford Inc. After-hours emergency line: 780.499.8424**.

Please note that your Condominium Corporation employs maintenance personnel, ensuring that you have someone familiar with your property to address most site emergencies and complete a regular maintenance check on your property. Outside of regular business hours, a rotating after-hours emergency staff is available to assist you; however they are paid overtime rates.

The Condominium Corporation will always pay the staff for their time on-site, however please keep in mind that many concerns you would have within your suite may be a unit owner's responsibility, which is outlined in the Corporation's bylaws. If personnel are called

on-site solely to assist in completing an owner responsibility, the Corporation may have to charge your unit for the expense.

If you are unsure whether your concern is an owner issue, please ask your onsite staff or the management office directly. **All non-urgent reports should be made via email or phone to the office for record purposes.**

Utilities:

Gas & Water are included in the cost of the condo fees. Please note that Owners are responsible to set up their own power, internet and cable.

5. Noise & disturbance:

Daily living and its associated noises are expected and suggested to remain from 8am to 9pm. Outside of this timeframe should be quiet hours, so parties or activities beyond 9pm should be conducted with due respect to your neighbors.

- Owners with complaints regarding noise in a unit after hours are asked to notify the police as indicated above, then provide the incident number to your Property Manager with accompanying details at your earliest opportunity for record keeping or follow-up.

6. Visitor Parking:

Visitor parking is for guests of residents only and is limited to a maximum of 4 hours. These areas are monitored and fines are enforced. For guests visiting over a longer duration there is street parking to the East side of the property. Please contact United Parking Services for any questions.

7. Pets:

In accordance with your Condominium Bylaws:

Article 62 Use and Occupancy Restrictions

*a. An Owner **SHALL NOT:***

iii. keep or allow any animal, livestock, fowl or pet of any kind to be present in his unit or on the common property unless:

- 1. the pet or animal is brought by the Owner to his Residential Unit when the Owner first occupies the unit; and*
- 2. the animal is a bird, fish, cat or small dog.*

8. Balconies:

Balconies are considered common areas. They must be kept clean of items that are not appropriate for this area. No storage of garbage, boxes or household articles is allowed. We want everyone to be able to enjoy their balconies, so common courtesy in respect to noise levels is also appreciated.

9. Garbage...Garbage:

There is a contained area between the two buildings. We strongly encourage everyone to recycle, and please be reminded:

- ⊗ Please DON'T put your garbage beside the dumpster – it won't get picked up by the garbage folks, and ends up being strewn across the property. If we have to hire someone to clean up garbage left outside the bin or in the building, that cost gets passed on.

- ❌ Do not dispose of furniture or mattresses in the dumpster area, as the city will not pay for removal of items, and cost of removal will be charged back to your unit if found.
- ❌ Plastic milk jugs and other recyclable plastic jugs now carry a refundable deposit. If you are disposing of milk jugs, please ensure they are crushed to allow more space.
- ❌ Please keep the garbage area clean and clutter-free.

10. Preventing Unauthorized Access to the Building

Unauthorized people gain access to the building by following a resident into the building (into the parkade or into the lobby), buzzed into the building, or they have possession of a stolen remote or key.

In order to prevent unauthorized access to the building, everyone is expected to observe the following practices:

- Do not let anyone follow you into the building through the front or back door. This includes residents, visitors, delivery people and service people. While it can feel awkward or impolite to not hold the door open for someone, it's essential to maintaining security in our home. And if someone is waiting outside the door as you're entering or exiting the building, please make sure the door closes behind you so that they don't gain entry unless buzzed-in.
- Do not let a car follow you into the parkade. When entering the parkade, come to a full stop inside the building and wait for the garage door to close behind you before proceeding. If another resident is behind you in their vehicle, they can open the door with their own opener after you have cleared the entryway.
- Never buzz anyone into the building that you do not know. One common tactic that property criminals use is to buzz random suites, and claim to be a resident or visitor who has lost their keys and is locked out. Unless you know the individual personally, and have confirmed their identity from the front door video, do not buzz them into the building.
- Do not keep your parkade remote in your vehicle. If a thief steals a remote they will be able to gain access to the building in the future.
- Report any crimes to both the Strathcona County RCMP and to the Property Manager. Neither the Property Manager nor the Board will be made aware of thefts or break-ins unless they are directly reported to us, and this information is important to have when we review current and future security systems.
- For additional security tips from Sherwood County RCMP, you can access: <http://www.strathcona.ca/departments/rcmp-and-enforcement-services/>
For recent crime statistics you can access the city statistics site: <http://www.strathconacrimewatch.ca/>

11. Preventing Theft from Automobiles

Sherwood Park RCMP advises that most vehicle crime is opportunistic and preventable. They recommend that all car owners observe the following tips in order to prevent thefts from vehicles:

Remove all Valuables - Never leave anything on display when you leave your vehicle. Even loose change, cigarettes, cigarette lighters, sunglasses, CD's, cell phones, stereos, cameras, and clothing, if they can see it they will steal it.

Park Safely - When parking at home, always lock your vehicle and ensure all windows are closed.

Remove Portable Accessories - Removing stereo face plates and locking them in the trunk or taking them with you, will deter thieves.

Get an Alarm Installed - Alarms can deter thieves not only from stealing items from your vehicle, but also from stealing your vehicle. Even if you have an alarm installed never leave anything in your vehicle. Thieves can smash a window, reach in grab an item and be gone in seconds, before your alarm is even activated.

Use a Steering Locking Device (The Club) · Use a steering wheel lock every time you leave your vehicle. A vehicle that is well secured has a tendency to deter criminals. A steering wheel lock will also deter theft of your vehicle.

12. Utilities

Condo fee's include water and gas.

Guidelines Within your Unit & Exclusive Use Areas

BBQ's:

BBQ's are not to be left unattended and appropriate precautions are to be taken to ensure the safety of the other Occupants. Any damage to the outside of the building from BBQ's is the responsibility of the owner of the suite upon which damage was incurred.

Renovations & Repairs:

- a. Construction in units is to be between 9am to 5pm Monday through Saturday.
- b. If you are planning a renovation, you are required to contact the building management prior to commencement for guidelines and any applicable forms. This also applies to moving plumbing or electrical fixtures from one location to another.
- c. If you are upgrading / renovating, please ensure your insurance is adjusted to reflect coverage on all items that are not remaining "builder's grade".
- d. Know your bylaws: Structural/design changes to property
- e. Just a reminder that UNDER NO CIRCUMSTANCES are changes that affects the exterior of the building to be made. As per Article 62.a.vii. An owner shall not:
(vii) do any act or permit any act to be done, or alter or permit to be altered his Residential Unit, Parking Stall, or Parking Unit in any manner, which will alter the exterior appearance of the structure comprising his or any other Units without the prior written approval of the Board;
- f. Owners making unauthorized changes will have to restore the property to its original condition at their expense.

Bathroom Fans:

The bathroom fans that are installed in building 40 Axxess at Summerwood are manufactured by BROAN-NuTone Canada Inc-Mississauga Ontario.

Phone 1-877-896-1119

BROAN BathFan Upgrade Kit EC60KIT available from AMRE SUPPLY-EDMONTON
Easy install-5 minutes.

Insurance:

The Condominium Corporation carries Real Property All Risk Insurance, which provides coverage to the full replacement value of all real common property and Directors and Officers Liability. Only common property and improvements installed by the Developer will be covered under your Condominium insurance coverage.

Provide your insurance agent with a copy of the Corporation bylaws and the current Corporation insurance certificate for their reference in ensuring your coverage is relevant to areas of your responsibility.

It is strongly suggested that all owners have proper insurance. A copy of the insurance documents should be presented to the management company for their records.

This policy does not cover the individual unit owner in these important areas:

- Insurance coverage on your personal property or contents coverage
- Insurance coverage for personal liability
- Sewer Back up
- Contingent insurance
- Insurance on Betterments, or improvements
- Loss assessment (coverage for the Corporations deductible should this be assessed back to the unit responsible.)
- If the unit is rented to tenants, the owner should carry a condo package that also covers tenant liability; the tenant must carry a tenants policy.

To protect yourself in these important areas you should purchase a Condominium Unit Owners Policy. This a package designed specifically for this unique type of ownership. Contact your insurance agent to ensure that your needs are adequately met.

Thinking of selling?

It happens – everyone's needs change over time. Note though that when you are selling the real estate agent you work with or potential buyers are usually interested in some key documents:

- Condo Bylaws
- Previous AGM minutes
- Insurance Certificate for building
- End of year financials
- Reserve Study

All these documents have been provided to owners in the past. By law you only have to make these available for VIEWING (by appointment at Ayre & Oxford) however to speed up the sales process most sellers keep a copy of the documents handy. Please remember that if you need this documentation reproduced there is a fee which can be \$300-400 depending on the needs of the buyer. So be sure to have your bylaws and keep your AGM information in a handy spot! Condo Documents may be ordered through our website at www.ayreoxford.com and by selecting the Condo Docs button on the top right-hand side of the main page.

You may also produce these documents from www.axxessatsummerwood.geniepad.com.

GeniePad provides unique and interactive features to encourage involvement in our community with timely access to up-to-date condominium news, announcements and documents.

This notice will confirm the Board of Directors decision to approve your request to adjust the unit or common area as follows:

INSTALLATION OF _____
ON LEGAL UNIT #____, CONDOMINIUM CORP_____ EDMONTON, ALBERTA.

Specifications as Follows:

IF the installation is an air conditioner: Installation is allowed insofar as it a residential grade, a low noise unit (Below 75DB), the condensing unit is to be located in the fenced yard, it is professionally installed at no cost to the Condominium Corporation, and the unit owners sign the waiver.

IF the installation is flooring: adequate soundproofing must be provided by the underlay selected.

- If the flooring being installed is an engineered floating floor, the insulation needs to have a FIIC impact rating of a minimum 60 to avoid disturbance to adjacent suites.
- A further recommendation for sound barrier would be an FIIC rating of 80.
- The flooring will be installed with the inclusion of a moisture barrier which is mold / mildew resistant.

IF the installation is regarding fixtures: they match the current standards and voltage.

Exterior walling alterations: the impacts on insulation or exterior sheathing are accounted for.

Plumbing/Dishwashing changes: That this work is conducted by a professional.

If you have any questions about coordinating the work, contact Roseanne Evans, Property Manager.

This decision will stand as long as all of the following conditions are met:

1. The work is to be completed during normal working hours (8:00 a.m. to 6:00 p.m. Mon to Fri), and will not be conducted on balcony space or other common areas, as applicable.
2. Understand that this is considered replacement of the builders' grade; therefore this will be considered a betterment, or improvement, **not covered by the Corporation insurance policy**. The owner's personal insurance covers this.
3. It will be the home owner's responsibility to pay for any future damages that may occur due to the above adjustment.
4. It will be the home owner's responsibility to declare to any future purchasers their responsibility for the adjustment.
5. Any Estoppel certificate issued on this property will have an exception to these adjustments as common area.
6. Although this area is no longer considered common area, it must be maintained as to the standards of all other common areas of this project.
7. Failure to comply with any of the above points or failure to sign and return one copy of this form to the Board Manager will result in this request being denied.
8. Failure to maintain the area after construction will result in the area being returned to its original state at the home owner's expense.
9. All building permits are responsibility of home owner not the condominium board.
10. You are responsible to ensure that any additional noise caused by the alteration does not disturb neighboring units.

If you agree with all of the above conditions, please sign and return one copy of this form to the Board of Directors of Condo Corp. _____ c/o Ayre & Oxford Inc. Your project will be able to commence once this form is signed and returned.

RE: Notice of New Pet Policy at Axxess at Summerwood Apartments

Dear Owner:

This notice is to inform you of a new Pet Policy which will take effect December 1, 2015.

Over the past years it has been observed that a number of residents are in violation of **By-law Article 62 a. iii**, which pertains to pets. The Axxess at Summerwood by-laws are to be reviewed and adhered to by all Owners, Tenants and Visitors at Axxess at Summerwood Apartments located at 40/42 Summerwood Blvd, Sherwood Park, Alberta. By-laws are provided to Owners upon purchase and if misplaced are obtainable through Property Management, and the Genie Pad resident website. Where applicable it is the responsibility of an Owner to provide a copy of the by-laws to all Tenants residing at their property.

ARTICLE 62 USE AND OCCUPANCY RESTRICTIONS

a. An Owner SHALL NOT:

iii. *keep or allow any animal, livestock, fowl or pet of any kind to be present in his unit or on the common property unless:*

1. *The pet or animal is brought by the Owner to his Residential Unit when the Owner first occupies the unit; and*
2. *The animal is a bird, fish, cat or small dog.*

Upon the death or disposition of the pet or animal brought by the Owner to the premises when the Owner first occupies his/her unit, no Owner shall have any further pet or animal at the Residential Unit or on the common property. Except when in a Residential Unit, all pets or animals must be hand leashed if appropriate, kept under control, and kept in the care of a responsible person who shall ensure that the pet shall not traverse or cross the common property to or from the Residential Unit unless carried in the above manner. Any municipal by-law in effect with regard to pets or animals at any point in time shall have effect within the Common Property and municipal officers are authorized and permitted to enforce city by-laws on the Common Property. No visitor shall bring any animal or pet of any kind upon the Common Property or any Residential Unit.

After extensive review and observation, your Board of Directors along with Property Management has determined a Pet Policy must be implemented to ensure the Owners and Tenants are informed of and following our by-law put in place. Enclosed is a copy of the new policy, as well as pet registration forms. **The deadline to return your pet registration to Ayre & Oxford Property Management is November 30th, 2019.**

Should you have any questions or concerns relating to this notice please contact our office at 780-448-4984.

Sincerely,

Ayre & Oxford Inc.
