Guidelines for the Use & Enjoyment of Common Areas

1. Move in's / outs etiquette:

- a. Please pay close attention to balconies when navigating moving trucks.
- b. Please ensure you do not block emergency fire lanes for any extended duration while conducting your move, and be ready to remove your vehicle promptly if required.
- c. **No driving on the grass or moving through patios.**
- d. Damages resulting from vehicles or trucks onto any common property area, or any other damages incurred will be charged backed to the unit owner.
- e. Do not leave any doors propped open and/or unattended.
- f. Do not dispose of any furniture or large items in the garbage room besides domestic garbage.
- g. Use back door to move in/out.

2. Access & keys:

- a. Unit and mailbox locks/ keys are the owner's responsibility to replace and maintain.
- b. Purchase of a new key is \$25 and are available at the office. Please call ahead to ensure keys are in stock.

3. Security:

The security of the neighborhood is relevant to everyone. If you see unsafe conduct or activities in your area, please report suspicious activity to the police.

- a. If there is a police / fire or medical emergency, call **911**.
- b. If it is not an emergency, call the police non-emergency line at **(780.423.4567)**.
- c. After providing the details, request the event number for this incident.
- d. Kindly report the event and incident number to Ayre & Oxford the next business day, including the date / time and nature of the complaint, with as much detail as possible so that we may keep record or follow up accordingly.

4. Property Assistance Personnel:

If you have a flood or a similarly urgent issue which requires immediate assistance, please contact management, or the after-hours emergency staff using the **After-hours emergency line: 780.499.8424**.

Please note that your Condominium Corporation employs maintenance personnel, ensuring that you have someone familiar with your property to address most site emergencies and complete a regular maintenance check on your property. Outside of regular business hours, a rotating after-hours emergency staff is available to assist you, however they are paid overtime rates.

The Condominium Corporation will always pay the staff for their time on-site, however please keep in mind that many concerns you would have within your suite are a unit owner's responsibility, as outlined in your bylaws. If personnel are called on-site solely to assist in completing an owner responsibility, the Corporation may have to charge your unit for the expense(s).

If you are unsure whether your concern is an owner issue, please ask your onsite staff or the management office directly. **All non-urgent reports should be made via email or phone to the office for record purposes.**

5. **Noise & disturbance:**

Daily living and its associated noises are expected and suggested to remain from 8am to 9pm. Outside of this timeframe should be quiet hours, so parties or activities beyond 9pm should be conducted with due respect to your neighbors.

Owners with complaints regarding noise in a unit after hours are asked to notify the police as indicated above, then provide the incident number to your Property Manager with accompanying details at your earliest opportunity for record keeping or follow-up.

6. **Pets:**

All pets must be registered using the available Pet Approval Form, and be kept in compliance with the terms of the agreement as submitted to the Board of Directors.

7. **Balconies:**

Balconies are considered common areas. They must be kept clean of junk not appropriate for this area. No storage of garbage etc. is allowed. Basically if it is an eyesore it's not allowed. We want everyone to be able to enjoy their balconies, so common courtesy in respect to noise levels is also appreciated. If it gets noisy, kindly take the party inside and close the sliding door. Loud noise after 9:00 pm is frowned upon.

8. **Garbage...Garbage:**

We strongly remind:

- ❌ Please DON'T put your garbage beside the dumpster – it won't get picked up by the garbage folks, and ends up being strewn across the property. If we have to hire someone to clean up garbage left outside the bin or in the building, that cost gets passed on.
- ❌ Do not dispose of furniture or mattresses in the dumpster area, as the city will not pay for removal of items, and cost of removal will be charged back to your unit if found.

9. **Preventing Unauthorized Access to the Building:**

Unauthorized people gain access to the building by following a resident into the building, being buzzed into the building, or they have possession of a stolen key.

In order to prevent unauthorized access to the building, everyone is expected to observe the following practices:

- Do not let anyone follow you into the building through the front or back door. This includes residents, visitors, delivery people and service people. While it can feel awkward or impolite to not hold the door open for someone, it's essential to maintaining security in our home. And if someone is waiting outside the door as you're entering or exiting the building, please make sure the door closes behind you so that they don't gain entry unless buzzed-in.
- Never buzz anyone into the building that you do not know. One common tactic that property criminals use is to buzz random suites, and claim to be a resident or visitor who has lost their keys and is locked out. Unless you know the individual personally, and have confirmed their identity do not buzz them into the building.
- Do not keep your keys in your vehicle. If a thief steals keys they will be able to gain access to the building in the future.

- The front entrance doors are locked down in the late evening. This means that visitors cannot gain access to the outside lobby at night to request that they be buzzed-in; guests must be physically let into the building by a resident going down to the lobby
- Report any crimes to both the Edmonton Police Service and to the Property Manager. Neither the Property Manager nor the Board will be made aware of thefts or break-ins unless they are directly reported to us, and this information is important to have when we review current and future security systems.
- For additional security tips from the City of Edmonton, you can access:
<http://www.edmontonpolice.ca/CommunityPolicing/PersonalPropertyCrimes/AutoTheft/TheftFromAuto.aspx>
For recent crime statistics you can access the city statistics site:
<http://www.edmontonpolice.ca/CrimeFiles/NeighbourhoodCrimeStats/CrimeStatsFAQ.aspx>

10. Preventing Theft from Automobiles:

Edmonton Police Services advises that most vehicle crime is opportunistic and preventable. They recommend that all car owners observe the following tips in order to prevent thefts from vehicles:

Remove all Valuables - Never leave anything on display when you leave your vehicle. Even loose change, cigarettes, cigarette lighters, sunglasses, CD's, cell phones, stereos, cameras, and clothing, if they can see it they will steal it.

Park Safely - When parking at home, always lock your vehicle and ensure all windows are closed.

Remove Portable Accessories - Removing stereo face plates and locking them in the trunk or taking them with you, will deter thieves.

Get an Alarm Installed - Alarms can deter thieves not only from stealing items from your vehicle, but also from stealing your vehicle. Even if you have an alarm installed never leave anything in your vehicle. Thieves can smash a window, reach in grab an item and be gone in seconds, before your alarm is even activated.

Use a Steering Locking Device (The Club) - Use a steering wheel lock every time you leave your vehicle. A vehicle that is well secured has a tendency to deter criminals. A steering wheel lock will also deter theft of your vehicle.

Guidelines Within your Unit & Exclusive Use Areas

11. BBQ's:

BBQ's are not to be left unattended and appropriate precautions are to be taken to ensure the safety of the other Occupants. Any damage to the outside of the building from BBQ's is the responsibility of the owner of the suite upon which damage was incurred.

12. Air conditioners:

Please submit written requests to Management with all specifications. Air conditioners cannot be mounted to hang outside of windows and must be fully inside your unit. They cannot alter the building in any way or cause excessive noise outside your unit that may disturb neighbors.

13. Heating:

In the winter please make sure your heat is on. Do not leave any windows or patio doors open when you are not around. If you do need to open a window please monitor it closely as there have been problems with pipes freezing when there is a change in temperature.

Damage done to your suite, and other suites as a result of frozen pipes that burst, as a result of negligence on the part of the resident or owners of the suite, is the responsibility of the owner and/or resident of that suite. Our temperature can change drastically from warm to cold in a hurry.

14. Renovations & repairs:

We recommend that you contact building management prior to commencement for guidelines and to seek Board approval for your intended alterations.

Please strongly consider the following before proceeding:

- a. Construction in units is to be completed between 8am to 5pm Monday through Saturday, and not to take place on balconies or common area space.
- b. Please seek advice before moving plumbing or electrical fixtures from one location to another.
- c. If you are upgrading / renovating, please ensure your insurance is adjusted to reflect coverage on all items that are not remaining "builders' grade".
- d. Unapproved renovations may be subject to removal.
- e. Disposal of renovation materials in the City garbage area may result in a chargeback.

15. Insurance :

The Condominium Corporation carries Real Property All Risk Insurance, which provides coverage to the full replacement value of all real common property and Directors and Officers Liability. Only common property and improvements installed by the Developer will be covered under your Condominium insurance coverage.

Provide your insurance agent with a copy of the Corporation bylaws and the current Corporation insurance certificate for their reference in ensuring your coverage is relevant to areas of your responsibility.

It is strongly suggested that all owners have proper insurance. A copy of the insurance documents should be presented to the management company for their records.

This policy does not cover the individual unit owner in these important areas:

- Insurance coverage on your personal property or contents coverage
- Insurance coverage for personal liability
- Sewer Back up
- Contingent insurance
- Insurance on Betterments, or improvements
- Loss assessment (coverage for the Corporations deductible should this be assessed back to the unit responsible.)
- If the unit is rented to tenants, the owner should carry a condo package that also covers tenant liability; the tenant must carry a tenants' policy.

To protect yourself in these important areas you should purchase a Condominium Unit Owners Policy. This is a package designed specifically for this unique type of ownership. Contact your insurance agent to ensure that your needs are adequately met.

16. Home based business:

Please make your request in writing to the Building Management for approval by the Board. Approval will not be given to business which requires public attendance in the building.

17. Rental Units:

If you intend to rent your suite, please ensure your residents send confirmation to the Condo Corporation of receipt of the bylaws.

Notify the Corporation through Ayre & Oxford Inc within 21 days of the Rental, and provide all contact details requested regarding the tenants. You will find a form attached for your reference.

18. For sale / rent signage:

No signs, billboards, notices or advertising matter of any kind shall be placed on any part of the Common Property or delivered door-to-door without the prior written consent of the Board.

19. Thinking of selling?

It happens – everyone's needs change over time. Note though that when you are selling the real estate agent you work with or potential buyers are usually interested in some key documents:

- **Condo Bylaws**
- **Previous AGM minutes**
- **Insurance Certificate for building**
- **End of year financials**
- **Reserve Study**

All these documents have been provided to owners in the past. By law you only have to make these available for VIEWING (by appointment at Ayre & Oxford) however to speed up the sales process most sellers keep a copy of the documents handy. Please remember that if you need this documentation reproduced there is a fee which can be \$300-400 depending on the needs of the buyer. So be sure to have your bylaws and keep your AGM information in a handy spot!

20. Smoking

Cigarette butts are not to be thrown off the balcony and extinguished properly.

REALTOR BOXES **NOTICE**

Please be advised that realtors are not permitted to have lockboxes placed at the front doors or the fence by the front door entrance. The realtor lockboxes must go on bottom corner grey fence.

Should your realtor have a lockbox placed at the front doors or front door fence please advise them to have it moved to the allotted lockbox area.

If anyone is caught with a realtor box at the front door or anywhere else on the property other than the allotted spot, the Board may impose a fine in the amount of \$100.00 to the unit owner.

Should you have any questions regarding this please contact our office at 780-448-4984.

Sincerely,

Ayre & Oxford Inc.

IF the installation is flooring: adequate soundproofing must be provided by the underlay selected.

IF the installation is regarding fixtures: they match the current standards and voltage.

Exterior walling alterations: the impacts on insulation or exterior sheathing are accounted for.

4. It will be the home owner's responsibility to declare to any future purchasers their responsibility for the adjustment.
5. Any Estoppel certificate issued on this property will have an exception to these adjustments as common area.
6. Although this area is no longer considered common area, it must be maintained as to the standards of all other common areas of this project.
7. Failure to comply with any of the above points or failure to sign and return one copy of this form to the Board Manager will result in this request being denied.
