MVAH Partners and Lincoln Heights Oasis Community Development Corporation are Proud to Announce New Development in Woodlawn, OH

Woodlawn, OH – The development team of MVAH Partners in partnership with Lincoln Heights Oasis CDC recently announced the award of funding for the construction of Wayne Lofts. Financing partners include Ohio Capital Corporation for Housing, Ohio Capital Finance Corporation, Merchants Bank, Hamilton County, and several programs from the Ohio Housing Finance Agency.

Wayne Lofts, located at 10090 Wayne Avenue in Woodlawn, Hamilton County, Ohio, will serve families who desire high-quality, affordable rental housing. The 58 unit community will include a mix of one, two and three bedroom apartment homes.

Wayne Lofts will offer several other convenient amenities including professional onsite management, community room with a kitchenette, computer workstations, and a fitness center; as well as a playground where residents can enjoy the outdoors with their children. In addition, the building is smoke-free and environmentally friendly. The community is within walking distance from the village core that offers other amenities and services.

“The Village of Woodlawn lacks high quality affordable housing options. MVAH is honored to partner with the Lincoln Height Missionary Baptist Church, in the form of Lincoln Heights Oasis Community Development Corporation to expand housing opportunity in the community. This will assure affordable options are available long term,” stated Pete Schwiegeraht, MVAH’s Senior Vice President of Development – Midwest Region.
